Hello! I'm Harriet Longman. I live in London, with my son Rupert and my beautiful cat. We love food. I enjoy cooking in the evening. My cat doesn't like my cooking and she only enjoys fast food. She also loves posing for photos. Rupert goes to work every morning, because he doesn't like studying. He likes swimming, skiing and travelling. My friends often visit and we like sitting in my garden. In summer, I love going to Serbia to see my good friend.
