#### *Read a dialogue/Pročitaj dijalog*

Two friends: Tom and Ben

Tom: Let's walk around the town. I want to show you around.

Ben: Ok. Let's go.

Tom: Look at this. It's my school. I go there every day.

Ben: Oh, it's very modern. And what's that?

Tom: It's a library. We go there every Friday after school.

Ben: And that building over there?

Tom: It's a hospital and behind the hospital there is a big park. We often go there at weekends.

Ben: It's a big and nice park. Let's walk around the park.

Tim: Ok. Come on.

Ben: And just one more question. What's that?

Tim: It's a bank. My mum works there.
