V Brojive i nebrojive imenice:

Brojive imenice su sve one imenice koje mozemo da brojimo i koje imaju mnozinu:

One apple - five apples One banana - three bananas

Nebrojive imenice ne mogu da se broje, one imaju samo oblike u jednini:

Water, sugar, milk

Uz brojive imenice koristimo **HOW MANY**, da pitamo koliko ima necega.

Uz nebrojive imenice koristimo **HOW MUCH**, da pitamo koliko ima necega.

Koje od navedenih imenica su brojive, a koje nebrojive? Stavite ih u odgovarajucu kolonu:

Milk, sugar, sandwiches, bananas, water
